INTERNATIONAL WORLD OF VACATIONS REACHES AGREEMENT WITH ITAMS

May 2009 – International World of Vacations (IWW), a recognized leader in home-based online travel, has reached an agreement with ITAMS Ltd. to implement back office technology through the ClientEase program for the IWW home-based agents. ITAMS and IWW are working exclusively to create an unprecedented home-based travel technology system.

IWW will utilize proprietary ClientEase database management programming to create the customized website each home-based agent will receive upon signing up for the IWW Business Opportunity. The websites will include booking technology, business management tools and marketing resources. This new technology will make it quicker and easier for home-based agents to manage and organize their business.
